**LOOKING FOR FINANCIAL ASSISTANCE?**

**WE MAY BE ABLE TO HELP!**

We don't want money to be a barrier that prevents a young person from attending one of our Holiday Camps. To make our Camps as accessible as possible, we offer various financial support options:

**OPTION 1:**

If you hold a valid low-income healthcare or concession card, you're eligible for a 50% discount on the full camp registration fee - no questions asked.

**OPTION 2:**

Our Children's Support Fund (CSF) covers up to the full registration fee for those in difficult financial circumstances.\*
